

The background of the entire page is a rich, painterly illustration of a tropical landscape. In the foreground, a calm river flows through lush greenery, reflecting the sky and the structures on its banks. On the left, a long, arched bridge with multiple domes and minarets spans the river. On the right, a similar structure with red domes is partially visible. In the distance, misty mountains rise against a soft, golden sky. Numerous birds are depicted in flight throughout the scene, adding a sense of movement and life. The overall color palette is warm, dominated by earthy tones and soft pastels.
