

Cookie Policy

Effective Date: June 26, 2026

Clouse Quality Construction LLC Cookie Policy

This Cookie Policy explains how Clouse Quality Construction uses cookies and similar technologies when you visit our website.

What Are Cookies?

Cookies are small text files stored on your computer or mobile device that help websites function properly, improve performance, and remember user preferences.

How We Use Cookies

We use cookies to:

- Maintain website functionality
- Improve website performance
- Understand visitor behavior
- Measure website traffic
- Improve user experience
- Protect forms from spam through security tools such as Google reCAPTCHA

Types of Cookies We Use

Essential Cookies

These cookies are necessary for the website to function properly, including contact forms and security features.

Analytics Cookies

Analytics cookies help us understand how visitors use our website so we can continue improving its performance and content.

Functional Cookies

These cookies remember preferences that enhance your browsing experience.

Managing Cookies

Most web browsers allow you to control or delete cookies through your browser settings.

Please note that disabling cookies may affect certain features of this website.

Third-Party Cookies

Some cookies may be placed by trusted third-party providers whose services help operate our website, including analytics or security tools.

These providers maintain their own privacy policies governing the information they collect.

Updates

We may update this Cookie Policy periodically to reflect changes in our website or applicable laws.
