

## HOW TO CHARGE A CARDLAB ACCESS CARD

### CHARGING THE CARD:

Top of the charger.

On the back of the card you will find the charging plate.

Insert the card in the USB charger, charging plate facing up.

**Make sure the card is pushed all the way into the charger.**

When the card is charging you will see a red light on the charger.

On the card you will see:

- **Green** light = card is being charged. When the green light turns off the card is fully charged.
- **Yellow** light = card is turned on.
- **Red** light = battery low or card error.
