

CANCELLATION POLICY

Cancellations made within less than 48 hours of the scheduled appointment time are subject to a fine of 50% of the fee for the procedure.

Our office is an independently owned practice, and we value your time and schedule. We make it a priority for you to be evaluated in a timely manner and have enough time allotted to your needs. Missed appointments negatively affect the day with both staff and other patients, who may need to be seen for an emergency visit.

For late appointments, please call the office so that we can make arrangements and/or reschedule your visit.

We understand emergencies do occur and we do not wish to penalize patients for unavoidable situations. We record all appointments, cancellations and no-shows and discourage repeated abuse of our scheduling policy, as this is unfair to both the provider and our patients.
