Squam Lakes Investment Management, LLC – Business Continuity Plan

Effective: August 26, 2026

Overview

This plan ensures that during any significant business disruption (SBD)—whether from internal events (e.g., key personnel incapacitation) or external factors (e.g., natural disasters)—operations are maintained, and clients remain informed while regulatory obligations are met.

Key Policies and Procedures

Response & Recovery:

- Protect firm property and secure all electronic records (with daily backups)
- Assess financial and operational impacts and resume normal operations promptly.

Communication:

- Maintain client, third-party, and regulator contact through the website, email, phone, and postal mail.
- Continue regulatory filings using the fastest available methods.

Operational Flexibility:

- Relocate operations to alternative undisclosed family homes in Maine, if necessary.
- Note that client assets are held by an external custodian, not by the firm.
