About Brayden

I am a multi post athlete that has played Basketball, Football and Lacrosse. However, my passion has been in Golf. I've competed in (8) world tournaments and hundreds of regional, state, and local events. I am a two-year starter on my high school varsity team and was a top seeded player on my middle school team for 6th, 7th, and 8th grade. Outside of sports, I love outdoor activities such as boating, fishing, and surfing. Academically, I maintain a 3.2 GPA while taking honor classes. I'm a dedicated, coachable player who thrives under pressure and is excited to bring my skills, strong work ethic, and team-first attitude to a college golf program.
