

CONVERSATION BINGO

What is your favourite travel memory?	If you could swap jobs with anyone for a day, who would it be?	What's been the highlight of your week so far?	What's one thing that you're looking forward to this month?	What is something that you're reading, listening to or watching at the moment?
What's something that you've learned recently?	What's one thing that you're grateful for right now?	What are 3 places still on your travel bucket list?	What's something that you're excited about right now?	If you could have a superpower what would you choose and why?
Where would you go tomorrow if money wasn't a factor?	What's one skill you would like to learn?	HEALTH WISE	What achievement are you most proud of?	Who has had a positive impact on your career?
What do you enjoy most about your role?	What's the best piece of advice you have ever received?	What's one thing that has been taking up your attention lately?	What's one thing that always makes your day better?	What's something positive that's happened recently?
What's one travel destination you would revisit in a heartbeat?	What's your go-to comfort food?	How do you like to spend your weekends?	What is your favourite hobby and why?	Who is someone that you would like to reconnect with?

Connection starts with a conversation.

Whether you use one question or twenty-five, every conversation is an opportunity to learn something new, strengthen a relationship and create a moment of connection.

You don't need the perfect question. You just need to start.
