COMMITMENT

We want **every single person** to take another step in discipleship and grow in generosity.

We've seen what God can do when we trust Him with more. This year, we want to go **beyond the status quo** to expand His Kingdom on Earth. It starts with a personal decision to step out in faith and trust Him with what's next.

We're trusting Him to move through us to invest \$7 million to accomplish the vision of **rescue & empower.**
