- What is something that others would say that you are passionate about? Why would they say this?

Look Up:**Read : Galatians 1:3-10**

- What do verses 3-4 mean to you personally? How has the meaning of these verses changed the way that you live?
- What is the author, Paul most concerned about in these verses? How is this true or relevant today, and what response should Christians today have?
- How was Paul a “servant of Christ”? What does this mean to believers today?

Read : Galatians 2:15-21

- What does it mean to truly put our “faith” in Christ Jesus? How is this different from believing in Jesus Christ?
- For those in Galatia, what did it mean to die to the law in order to live for God? How is that translated today in our faith, how do we do the same?
- Paul says in v20 “to be crucified with Christ”, what does it mean? In what ways would you say that is evident in your life?

Overall (Discovery Bible Study)

- What do these scriptures say about God?
- What do they say about people?
- How will I apply this to my life?

Look Ahead

Which of Paul’s instructions do you need to understand and apply in your life right now - putting your faith in Christ Jesus, dying to the law in order to live for God or being crucified with Christ to not live for yourself? Share one area with the group and focus on making some change in your life to accomplish this during the week.
