## DISCUSS & DISCOVER

1. Paul wrote that, when people follow Jesus, they are called to have an attitude like Jesus. What specific actions did Paul encourage us to practice? (Do not be selfish or proud. Consider others as more important than ourselves. Look out not just for our own needs but the needs of others.)
2. Jesus put the needs of others before His own as He obeyed God and died to take the punishment for our sin. Jesus rose again, showing that He is more powerful than sin and death. Jesus did this because He obeyed God and loved us. How can we treat and help others with humility like Jesus did? (Focusing on people instead of ourselves helps us live humbly like Jesus.)
3. How does this Bible story help answer whether our actions affect others? What are ways we can have actions that honor God? (Our actions affect others because our actions can point other people to God. We can help people and treat them with love like Jesus did. We can encourage others and pray for them.)

**Pray:** God thank You for the chance to open the Bible and learn about You. Help us to live set apart and live out the truth that we love and follow You. Thank You for sending Jesus to rescue us from sin and give us the best example of how to live. Help us live our lives with actions that help others and honor You. Amen.
