Connect

Our Bible Story comes from the book of Luke. The man who came back remembered what Jesus had done and he showed it with his words and his heart and actions. That's what Thanks-Living is all about: Not just saying "thank you" once, but living every day remembering how good God is to us. We don't want to be like the nine who forgot, we want to be like the one who remembered.

DISCUSS & DISCOVER

- 1. Why do you think only one leper came back to thank Jesus?** *(Maybe the others were too excited or focused on themselves and forgot.)* Sometimes we forget to thank God because we focus on what we don't have instead of what we do have.
- 2. What are some blessings you can thank God for today?** *(Things like family, friends, food, home, health, nature, Jesus, etc.)* When we count our blessings, it helps us stay joyful even when things aren't perfect.
- 3. What happens when we focus on the good things instead of the bad things?** *(We feel happier, more peaceful, and closer to God.)* Thankfulness changes our attitude it helps us see how much God loves us every day.

Pray: Dear God, Thank You for all the amazing things You've done for us. Thank You for loving us, helping us, and never leaving us. Help us to be like the one leper who came back to say thank You. We don't want to forget we want to live every day remembering Your goodness. Teach us to live a life of Thanks-Living with thankful hearts and joyful lives! We love You, and we thank You! In Jesus' name, Amen.
