Our Bible story is from the book of 1 Samuel. First Samuel is in the Old Testament, which is the first part of the Bible. We will learn about a man named Eli and a boy named Samuel. Our Bible story will show that God knows each of us by name, and our names matter to Him.

DISCUSS & DISCOVER

1. In our Bible story, God called Samuel by name, even when Samuel didn't recognize His voice at first. God knows everything about us, including our names, because we are priceless to Him. How does knowing that God calls us by name help us see that we are uniquely designed?
2. The Bible teaches us that sin separates us from God, but He loves us too much to leave us that way! God sent His Son, Jesus, to take our punishment and rescue us so we can have a relationship with Him. How does Jesus' sacrifice prove that our names matter to God and that we are priceless to Him?
3. Sometimes we might wonder if anyone truly cares about us, but we can always remember that God has big plans for our lives, just like He did for Samuel. How can knowing your name matters to God help you when you are feeling lonely or wondering if you matter?

Pray: God, thank You for uniquely designing each and every one of us. Thank You for being a personal God who doesn't need us to wear a name tag, because You already know our names and care about every single detail of our lives. We are so grateful that You sent Jesus to defeat sin so that we can have a real relationship with You. Help us to remember this week that we are never invisible, we are always loved, and we are absolutely priceless to You. Amen.
