Our Bible story today comes from the book of Ephesians. This book is in the New Testament, which is the second part of the Bible. A man named Paul wrote a letter to Christians in the city of Ephesus. We will learn that each one of us matters to God!

DISCUSS & DISCOVER

1. Through Jesus, we can have redemption from our sin. The word redemption means that Jesus rescued us by taking the punishment we deserved for our sin. We can receive this redemption by believing that Jesus died on a cross and rose again and asking Him to forgive our sin. How does this Bible story help us know we matter to God? (Jesus gives us redemption because we matter to Him.)
2. Paul told the Ephesians that God chose them to know, love, and follow Him. The same is true for us today! God sent Jesus to forgive our sin and make the way for us to become part of God's family. God made us for a relationship with Him because we matter to Him. Who can you tell about what you are learning about Jesus?
3. We may wonder why God wants to have a relationship with us. However, God wants us to know that it is because we matter so much to Him. To God, we are priceless because He uniquely designed every single person in the world. How can knowing we matter to God help us remember that God wants to have a relationship with us?

Pray: God, thank You for sending Your Son, Jesus, to die on a cross and come back to life, so that we can be adopted into Your family. Thank You for giving us redemption through Jesus. You uniquely designed us, and we see that we matter so much to You. Amen.
