In our Bible story we will learn about two builders in a story Jesus told. Jesus told parables, which were stories to help people understand the kingdom of God. Today's Bible story comes from the book of Matthew.

DISCUSS & DISCOVER

1. The wise builder built his house on the rock—a good foundation. This helped the house stand strong when storms came. When we follow what Jesus says to do in the Bible, its like we are building our whole lives on a foundation that is firm and secure. So when storms come, like when we face hard things or are dealing with difficult feelings, we can stand firm knowing our trust and our foundation is in Jesus. What can help us trust and follow Jesus when life gets hard? (Answers may include I can read my Bible; I can pray to God for help; I can talk with others who follow Jesus; and so forth.)
2. We can live like Jesus when we trust God, listen, and obey what He says. When we follow Jesus, He is our strong foundation, and He helps us know how to live. What are ways we can live like Jesus? (Answers may include I can obey God; I can love and care for others; I can take care of God's creation; I can tell other people about how Jesus has changed my life; and so forth.)
3. While there are many people we can look up to, what do you think is the difference between looking up to those people versus looking up to Jesus? (Answers may include people in the world are not perfect but Jesus is perfect; we can look up to Jesus because He is always right and always good.)

Pray: God, thank You for giving us a strong and secure foundation in You. Thank You for sending Jesus, who is the best example of how to live and is Someone we can always look up to. Please give us courage to show others what it means to live like Jesus. Amen.
