Connect

In our Bible story, we learned that God made a beautiful and special world. God made everything in the world, including people. God made the first people Adam and Eve and He valued them very much. They were important and special to God. He made people on purpose with a purpose. That means it was God's plan to make people and give them an important job to do. He made Adam and Eve on purpose with a purpose, and God put them in charge of everything He made. God made us on purpose and with a purpose too! God values us so much.
