Connect

In our Bible story, a man named Paul wrote a letter to people who believed in Jesus. He wanted to remind the people that God valued them, and they had wonderful blessings because they were part of God's family. Paul said that God forgives people who make wrong choices by grace. Grace is getting something good that we do not deserve. We have all made wrong choices, but God loves us so much that He sent Jesus to forgive us and help us have a friendship with Him. Paul told the people that God sent Jesus to give us new life. New life means that when we have a friendship with God, we live a different way. Instead of living the way we want to, we live the way God wants us to, believing and following Jesus.
