The Bible is God's true message to us. In it, God tells us who He is and who He made us to be: someone created with great worth!

In today's lesson from the book of Matthew, Jesus showed His followers just how special and valuable children are to Him. As a family, remember that God made you with worth!

DISCUSS & DISCOVER

1. In the Bible story, Jesus told the disciples to let the little children come to Him, showing He valued them. The children did not do anything special to earn Jesus's love. You also have value because Jesus made you, knows you, and invites you to have a forever relationship with God. After Jesus welcomed the children, what do you think the people learned about Him and the kingdom of God?
2. God made us with worth. Even after sin broke our relationship with God, He sent His only Son, Jesus, so that we could have a relationship with Him. What can help us know and remember about value when it comes to God?
3. When we look at people in our world, what sort of people are celebrated as special? (celebrities, athletes, people with a lot of money and influence, and so forth) God does not look at value and worth in the same way as people do in our world. What makes us valuable to God is simply us being who He made us to be. God wants us on His VIP list not because of anything we did, but because we are His. How can remembering this truth change how you think about yourself and others?

Pray: God, thank You so much for making us valuable. We are so thankful that You made us with worth, and we are valuable in Your sight. Help us know that our worth is not because of what we do but because of who You are and who You say we are. Amen.
