Connect

The Bible is one big book made up of many smaller books. Each book of the Bible helps to tell God's big story. Today's Bible story comes from the very beginning of the Bible, in the book of Genesis. Genesis tells the story of how God made the world and people!

DISCUSS & DISCOVER

1. This Bible story tells us that God created people in His own image, including us. This means that we get to show God's goodness to the world! People are valuable to God, even though we are all different. How might this change how we think about ourselves and how we treat other people? (Since all people are made in God's image, I can treat them with kindness and love like God does. I can remember that I am valuable to God.)
2. God made people to love Him and follow Him. What is one simple way you can follow Jesus every day? (I can pray and talk with Him. I can ask Him for help. I can read the Bible and obey what it says. I can tell other people about my love for Jesus.)
3. Do you think everyone has the same purpose? In what ways are our purposes the same, and how can they be unique for each person? (God created everyone to love and follow Him, but we each can do that in different ways. God made everyone with different skills and talents, and they all can be used differently in God's plan for us.)

Pray: God, thank You for making us on purpose. Thank You that we are part of Your plan and that You made us with gifts, ideas, and roles that matter. When we are not sure what our purpose is, remind us that we can talk with You and ask for help. We love You. Amen.
