DISCUSS & DISCOVER

1. In the Bible story, Jesus said that just as Moses lifted up the bronze snake to save the Israelites, Jesus would be lifted up so that anyone who believes in Him can be rescued from sin and enjoy life with God forever. How can what Jesus said give us hope? (We can trust that God will love and forgive us, now and in the future, so that we can have a relationship with Him forever.)
2. When the Israelites were bitten by snakes, they could look at the bronze snake and be healed. What can we do when we make wrong choices? (Tell God we are sorry and ask for His forgiveness. Remember that God will always love and forgive us.)
3. How could today's Bible story help when you or a friend wonder whether God will always forgive you? (We can have hope that no sin is too big for God to forgive. God forgives us when we ask and turn away from sin.)

Pray: God, thank You for loving and forgiving us when we make wrong choices. Thank You for giving us hope every day and helping us have a start fresh. Help us remember that, like You forgave the Israelites, You forgive us and invite us to trust You. We love You, God! Amen.
