DISCUSS & DISCOVER

1. Compassion means that God sees the suffering we experience because of sin and takes action to help, which He does through forgiveness. He is not easily angered, and He has so much love! How can remembering God's compassion and grace help when you make wrong choices? (We can remember that God loves and forgives us when we do not deserve it. We can know that God will always love and forgive us, which is why He sent Jesus.)
2. Psalm 103 talks about how God is forgiving. What do you think it is like to experience God's forgiveness? What happens and what changes? (God's forgiveness helps us find joy in His love. We no longer feel like we are lost and unsure of what to do. God gives us hope and helps us follow Him.)
3. God forgives us and gives us grace because He loves us. If a friend asked you how to have a fresh start, how could today's Bible story help answer that question? (God loves and forgives us when we do not deserve it. God sent Jesus to make the way for us to be forgiven even when we were still sinners. We can turn from sin and ask God to forgive us, and He will.)

Pray: God, thank You for Your love and forgiveness, which we cannot earn and do not deserve. Help us turn to You when we make wrong choices and live the way You made us to live. Thank You for always being with us and for giving us a fresh start. Amen.
