# FAQ

# FAQ

## What is the process?

After everyone has gathered at the agreed meeting point, the students are getting divided into groups of about 5 people. We then give a 10-minute introduction in which the game is explained and the equipment is shown. When all questions have been answered, the students can get started. The starting point is also the end point of the outdoor tour, where we wait for the groups and collect the equipment again.

## Who is the school class program for?

School classes from 12 students (Indoor and Outdoor in Heilbronn) and 20 students (Outdoor in Schwäbisch Hall, Sinsheim, Neckarsulm) of a Haupt-/Real-/Gesamt-/Sonder-/Förderschule or a Gymnasium can participate. Classes from, for example, a business school, are of course also very welcome, but should not need a discount like a 6th grader because of their age. Therefore, such advanced schools are excluded from this special school class program.

## What are the prices?

Indoor Escape Rooms cost **28,-€ per student**, but there must be at least 4 players per booked room.

Outdoor Escape Tour for Grades 5 to 9:  
**15€ per student**

Outdoor Escape Tour for Grades 5 to 9:  
**20€ per student**

## Which languages can be selected?

English and German.

## When can it be played?

If the booking calendar allows it, you can of course book directly as a normal group. But as a school class you probably want to play in the morning. Of course! Most of them start between 9.00 a.m. and 9.30 a.m., just let us know your preferred date when you make your request.

## How many players are allowed in an Indoor Escape Room?

The maximum occupancy of our Indoor Escape Rooms is 6 players per room and can not be exceeded.

## Where is the meeting point for the Indoor Escape Rooms?

The meeting point for the Indoor Escape Rooms is in our location at **Kaiserstraße 9 in Heilbronn.**

## Where is the meeting point for the Outdoor Tours?

**Heilbronn:** Rathausplatz (Marktplatz 7), 74072 Heilbronn

**Schwäbisch Hall:** Qmediko-Zentrum (Weilerwiese 5), 74523 Schwäbisch Hall

**Sinsheim:** Parkplatz Ziegelgasse (Alte Poststraße), 74889 Sinsheim

**Neckarsulm:** Entrance city park at the ZOB in Neckarsulm

## The kids play, what do we teachers do now?

If your students play an Escape Room and they do not exceed the maximum occupancy of the rooms, you can play along as a teacher for free.

If the students are on an outdoor tour in the city, you can either play with them for free, visit the individual groups playing with a map from us or sit in a café and enjoy the free time.

## How long does everything last?

For Indoor Escape Rooms you will be with us for 90 minutes, including up to 60 minutes in the Escape Room.

For Outdoor Escape Tours we have a **short version with 90-120 minutes** and a **long version with 120-180 minutes** of playing time.

## Which Outdoor Escape Tours are available?

We have **The Magic Portal** (from 5th grade), **Operation Mindfall** (from 8th grade) and **Blackout** (from 10th grade) to offer.

## When should we book?

As early as possible, because when the Indoor Escape Rooms are booked, they are booked. For the Outdoor Escape Tours, we have a little more tolerance as we can handle multiple school groups at the same time. Our current limit is 250 players at the same time, but please be good enough to contact us at least 10 days before the desired date, if you want to play with more than 50 players.

## How does the payment work?

You only have to pay on the day of the game (cash or card) and only the number of players that show up (but note that you have to pay for at least 20 players). We think that you teachers already have enough stress and do not have to collect the money weeks in advance.

# Outdoor Escape Tours

---

# The Magic Portal

up to 250 players

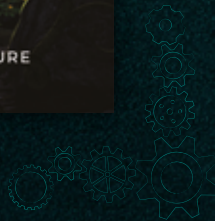

from 5th grade

Beginner

Fantastic

Danger threatens from worlds thought long gone! The local portal guardian was struck down by a powerful spell, and now evil creatures roam our enchanted Heilbronn. But there is hope: You! With the help of the powerful artifact, according to the legend, determined heroes can find the hiding places of the magic crystals, solve the puzzles that protect them, demonstrating courage, intelligence and speed, and close the portal again.

# Operation Mindfall

up to 250 players

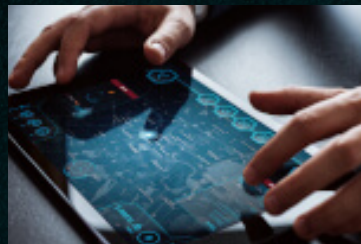

from 8th grade

Beginner & Advanced

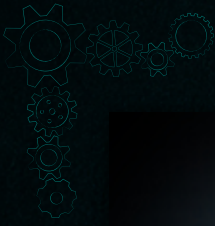

Top secret

SPIDER TECH has developed a virus in its secret research laboratory in Heilbronn, which allows the corporation to control and manipulate people's decisions. The virus is scheduled to be activated in the next 3 hours. Face the tricky challenges with the help of your top modern agent equipment and save the city!

# Blackout

up to 250 players

from 10th grade

Advanced

Innovative

Your city's power grid has been hacked by an unknown group of hackers, which will lead to one of the greatest threats of modern times: a widespread blackout! Without anyone knowing and in order to prevent a panic, your city is already running completely on emergency power! You must manage to stop the hackers and restore the power supply to prevent the biggest disaster of our time!
