# FAQ

## FAQ

### Which special adjustments are possible?

- For Indoor Escape Rooms special slots with changed start times can be created on weekdays
- Completely individual routes can be created for the outdoor tours, e.g. from your company to a restaurant
- For the outdoor tours, company-specific riddles can be designed

### Cooperations?

Are you looking for something delicious to eat after the game? We partner with the [Heuchelberger Warte in Leingarten](#).

Here you have the opportunity to play our tour from the parking lot to the summit or enjoy a relaxed game right at the restaurant table between your main course and dessert.

### How does the payment work?

Directly after your booking you will receive an invoice from us. This is to be paid **BEFORE** the date of the game, not afterwards! We owe this regulation to some large companies, that didn't pay our invoice for several months.

### Do we get an invoice?

Of course. About one minute after your booking, you will receive the invoice in your e-mail box. If any information is wrong or you need a different billing address, please write to us and we will change the invoice.

### Which languages are available?

English and German.

## We would like to have an offer!

If you want to book „only“ some Escape Rooms, you can find the prices in the next point below. An individual offer would not include anything else.

If you want to organize an event for 80 people, start in another city and play half of the game in Afrikaans, please send us an email and we will write you an individual offer.
