Lumen Stewardship Program Packages

Your Foundation Journey – \$5900 *limited special entry 2026 available at \$4900*

This is the entry point crafted to suit most members.

You are fully engaged and immersed in the self-paced student experience. This option is for those who require a straightforward business structure of one Unincorporated Association and one Trust.

This step-by-step course is designed for you to get in there, do the weekly work, and emerge feeling organised and ready to step confidently into private or hybrid commerce. We recommend students complete the course within six months to keep personal momentum.

You have lifetime access to the Lumen StudyBuddy for ongoing support, operations and maintenance of your newly created structures.

- 12 months membership* to the course content
- 12 months membership* to program host Living Free Movement platform
- 1 x Unincorporated Association/PMA (Trustee), and 1 x Trust (asset holder)
- Full suite of modules, teaching videos and tasks to complete weekly
- Full Suite of templates to personalise for Australian commerce
- Lifetime membership to uniquely coded Lumen StudyBuddy Bot
- 1 x 1:1 structural design and mapping session with the Lumen Lead Australian Trainer
- 1 x 1:1 organisation and support session with a Lumen Support Coach
- Organisational and administration support from the Lumen VA
- Periodic workshop sessions with Q & A for the Lumen Student Community
- Access to global leaders, mentors and coaches for additional learning and support
- Additional Library for extra learning resources and content

Family Pricing – Additional \$2000 for each immediate family member

This add-on option is for immediate family members, and those who require a more complex build, which requires more time and more entities. This option also includes the 1:1 coaching sessions and extra admin support by our team.

Keeping in mind – all men and women need their own personalised protective full suite of documents.

Ask us if you need clarification. We offer a complimentary 15 min personal call.

The Full Package – \$9990 No time? This upgrade is designed for you.

This option is for those who are short on time. This also includes complex design models. We know not everyone has the time to get through this learning journey. This option is where we support you to get through all the steps via extra 1:1 coaching calls. This option has limited placements due to our team availability at the time. Every student must still ensure they fully engaged in the learning process, we just support you extra in this option to complete the paperwork with and for you.

All inclusions of 'Your Foundation Journey' plus – weekly 1:1 for coaching, documentation completion and conveyance. Please enquire if we have availability if you require this package.

Essentially – we walk it out with you, including administration, *notary and conveyance services. – your role is to engage in the study course content whilst Skye and the team complete your personalised documentation package with you. You will be required to participate in the design and 1:1 calls, as well as complete all course teaching modules and student videos.

Notes:

Notary is a separate service where we must engage a professional notary to perform this service on your behalf. If required, there is an additional cost as it's an external service often performed by a notary lawyer.

Please reach out to our team for any clarification around a pricing option to suit you best.
