CRUISE AND TRAVEL PARTNERS
The Best of Both Worlds

THE \$1,000,000 STAFF

Your host and program presenter, Mark Troilo, DDS explains how your attitude affects everything it touches in your practice (and your personal life). At 74 and in private practice for 48 years, he's learned what to go after, and what will kill your attitude and success.

He loves what he does and wants the same for you and your team!

Mark guarantees you will come away with more ideas that you can implement in your practice on Monday morning than any other meeting you attend!

** Cruise must be booked through Cruise & Travel Partners in order to participate*

FUN FOR EVERYONE!

Having your team at this meeting is crucial to success. Doctors who come by themselves realize they are disappointed their team isn't there. This atmosphere will be one of the best team building things you will do for them – and that means nothing but good things for you, as the doctor!

ENTERTAINING!!

Mark shows your team what it means to really be at the top of their game, and what the docs would love to see from them!

He makes the business of dentistry simple for your teams so they can truly be your "business partners!"

EDUCATIONAL!!!

- Learn secrets of effective internal marketing...at little to no cost!
- What it takes to be a winning team member, and how we/employers look at performance when evaluating salaries!
- How to schedule efficiently to make your day more productive!

YOU WILL NEVER GET THIS EXPERIENCE OR LEARN AS MUCH AS YOU WILL FROM THIS MEETING, FROM BEHIND A COMPUTER. YOU HAVE TO LEAVE HOME TO GET IT!!!!

ADVENTURE AWAITS!
