HIDDEN GEM

Church Capital of North America: Lamont County, which boasts over 40 historic churches and deep Ukrainian heritage, is recognized as the birthplace of Ukrainian settlement in Canada. Spend a day or a weekend seeing the County's stunning landscapes and engrossing yourself in its rich past as you go from historical site to historical site on a self-driven tour. The Ukrainian Cultural Heritage Village is one of the County's top attractions, and great for families.

DID YOU KNOW?

Lamont Health Care Centre is the only hospital in Canada operated by a Board under affiliation with The United Church of Canada. Dating back to the first pioneer doctor in 1901 who served a far-flung population of immigrants and settlers, Lamont has been a leader in progressive medical care. Lamont Public Hospital School was established in 1912 and operated for 60 years until its closure in 1972 having nearly 600 nurses graduate over the course of its operation.

HIDDEN GEM

Mohyla Monument: Situated at the intersection of Secondary Highways 831 and 637, north of the town, the Mohyla is devoted to the Ukrainian people and was built to commemorate the 100 years of Ukrainian immigration to Canada between 1891 and 1991. *"Who, like seeds cast into the wind, settle and take root on this land in order for future generations to flourish."*
