Tax Services – Disclosure

SydneyTaxAccountant.com provides its BAS and TAX services under OM Tax Services. OM Tax Service is a registered tax agent with the Tax Practitioner Board (Registered Agent Number 26072249).

The Tax Practitioners Board maintains a public register of tax and BAS agents. You can confirm the registration of any tax or BAS agent by searching the public record here - https://myprofile.tpb.gov.au/public-register/

We operate under the Tax Practitioners Code of Professional Conduct. The Code of Professional Conduct can be found here - https://www.tpb.gov.au/code-professional-conduct

Any complaints about the provision of tax or BAS services may be made directly to the Tax Practitioners Board here - https://www.tpb.gov.au/complaints.

The Tax Practitioners Board encourages you to try to resolve any issues directly with the tax or BAS agent first, wherever possible. There are many issues the Tax Practitioners Board can't resolve. Some examples of these include:-

- the services provided by a tax practitioner are not considered a tax agent, BAS or tax (financial) advice service
- the conduct of a tax practitioner does not breach the TASA
- disputes occur on fee and commercial issues
- issues that are outside of the TPB's responsibilities.

If you have any queries or concerns or wish to raise an issue, please email us directly at team@sydneytaxaccountant.com.
