

Fog Delay Protocols (July 2026)

(applies to Casual & General Play, Club and Open competitions)

The following protocols will be followed when start of play is suspended due to fog:

1. Play will be resumed when the right and left hand side fairway bunkers at the first are visible for 15 minutes

2. If a player decides to go home while play is suspended they forfeit their scheduled / booked tee time. If it is a Competition day they will not be able to return and play in the Competition, however they can book one of the 'casual play' slots if available or one of the slots after the Competition tee times are finished.

3. The Pro Shop will manage the tee sheet and players cannot pick and choose their revised tee time or playing partner(s)

4. A split tee start may be used when play is suspended for more than one hour. This will be managed by the Pro Shop
