Message from the Head Coach

This school year of rugby was defined by resilience – watching our Freshman and Sophomore class rise to the moment and prove exactly what this program is made of.

The Fall season tested us in ways we didn't anticipate. With 37 players stepping up to represent the Varsity due to injuries and prior commitments, we saw young athletes accelerate their development and compete at a high level far earlier than expected. That kind of trial-by-fire builds character, and this group delivered. The Varsity earned their spot in the playoffs, and in a tight contest against Delaware, we were three points away from advancing – a testament to how competitive this squad became over the course of the season.

Thank you to the alumni, parents, and the wider JMU community whose continued support makes this program thrive. The 2025–2026 side leaves the shirt in a better place than they found it, and with the experience this young group has gained, we are genuinely excited for what next season holds.

Where We Focus: Fall vs. Spring Seasons

Fall Season

The Fall season is where Madison Rugby stakes its claim in the Mid-Atlantic Rugby Conference. The Dukes field A and B sides in Fifteens competition, battling MARC opponents across Virginia, Delaware, Pennsylvania, Maryland, and New Jersey — with a developmental side fielded when the roster depth is there. It's the season that sets the standard, builds the core, and determines postseason positioning.

A, B & Developmental Sides

Developmental side when there is enough new players

Spring Season

When the calendar turns, so does the format. The Spring season gives the Dukes two formats and two opportunities — developmental Fifteens matches to bring newer players up to speed, and A & B side Sevens competition across the East Coast circuit. For many players, spring is where development accelerates fastest. For the program, it's a chance to close the year strong and build momentum heading into the next fall.

15s Season Highlights

5 Wins, 5 Losses for Fall Season

Earned a berth in the MARC Playoffs despite significant roster adversity throughout the season

Expanded our coaching staff, bringing in a new coach dedicated to player development and onboarding newer members of the club

Welcomed 15–20 new players in the fall, reflecting the growing reputation of JMU Rugby on campus

Finished the season with the program in a stronger position than we found it — a deeper roster, more experienced young players, and a foundation set for a strong 2026–2027 campaign

Upperclassmen on the A-side battled through injuries with character and commitment, modeling the leadership JMU Rugby is built on

This past season presented genuine challenges for our Sevens program. Losing five seniors to graduation and three additional players to injury left us fielding a young, inexperienced roster for much of the year. Senior and captain Miles Haynes stepped up to anchor the group and lead by example throughout the campaign.

Despite the adversity, the squad competed at multiple tournaments across the season. Early on, the team showed its potential with wins over Towson and Frostburg. At the Maryland Automatic Qualifier, the Dukes were placed in a demanding group alongside national runner-up NC State, national qualifier Maryland, and Niagara — a draw that tested the team and ultimately left us finishing 10th. A similar result followed in the conference tournament, where a banged-up squad finished 10th.

After three consecutive national qualifying appearances, falling short of Nationals this year stung. But the foundation for a strong response is already in place. With just one player departing and a roster that gained invaluable experience this season, the expectation heading into next year is clear: growth, development, and a big bounce back.

The best is still ahead. Go Dukes!

Program Leadership & Coaching Staff

Dr. Mark Fowler
HEAD COACH
CLASS OF 1990

A native of Wales and JMU graduate (MS, 1990), Mark played over 100 games of Division 1 rugby in Wales before beginning a coaching career that brought him back to Harrisonburg. He served as JMU's head coach from 1988-90 and returned to the sideline in 2021. In between, he led the James River Men's Rugby Club as a player-coach (1994-99) and non-player coach (2017-21), and served as Virginia State Men's U25 Head Coach. A member of the Virginia Rugby Hall of Fame.

Ruairi Walsh
COACH

A native of Ireland, Ruairi played rugby as a versatile back — center, wing, and fullback — before joining the JMU coaching staff in 2018. His focus is skill development, and he brings the intensity of a lifelong, passionate Munster supporter to everything he does on the pitch.

Jake Seratore
COACH
CLASS OF 2013

Jake's rugby journey started in high school and ran through JMU, where he played from 2013 to 2017. After graduating, he played for the Kalamazoo Dogs and currently serves as a player-coach for Rocktown Men's Rugby in Harrisonburg. He joined JMU as an assistant coach in 2021, specializing in forward play, and also serves as the program's Men's 7s Coach.

Steven Proffitt
COACH

A native of Canada, Steven has been part of the rugby world for over three decades — starting as a player in the Ontario Rugby Union in 1989 and logging 17 years on the field. His coaching résumé spans Florida State University, two clubs he founded in Florida, and stints leading Div 2 and Div 3 programs. He guided the Tallahassee Conquistadors to the Elite 8 in 2014 and led the Orlando Griffins to their first Florida State Championship in 50 years.

Class of 2026 Graduating Seniors

The JMU Men's Rugby program is incredibly proud of our 2026 graduating class.

These young men have not only excelled on the field, but have grown into outstanding individuals who embody the spirit of rugby. Through their dedication, teamwork, and resilience, they have left a lasting impact on the program.

As they embark on the next chapter of their lives, we have no doubt they will continue to make a positive difference in the world, inspired by the values they learned through rugby, having become "Hard Gentlemen."

Community Impact

This year, JMU Men's Rugby was proud to participate in the Relay For Life at James Madison University, joining the fight against cancer and honoring those who have been affected by it.

Relay For Life was a meaningful event that brought the JMU community together to celebrate survivors, remember loved ones, and raise money for cancer research and patient support — and we were honored to be a part of it.

Thank you to everyone who donated and supported our team fundraiser. Your generosity made a real difference, and we are grateful for every contribution.

Thank you for continuing to support JMU Rugby and helping us make an impact beyond the pitch.

Go Dukes!

Overview

Connecting the JMU Rugby Community

James Madison
University Rugby

Mission

To unite every generation of Madison Rugby — building the association, the connections, and the resources that allow the program to grow, compete, and endure.

Who We Serve

Current players, parent, alumni from every era, and future Dukes who haven't yet found their way to the pitch

What We Do

Organize the alumni community, fund the program's capital needs, and strengthen JMU Rugby's standing on campus

Why It Matters

A great program is built on the field and off it — the alumni association is what makes the off-field work possible

Vision

The Mid-Atlantic's premier rugby program:
a destination for elite competition, lifelong brotherhood,
and alumni who never stop showing up.

Alumni

A thriving, organized association where Old Boys stay connected and invest in what comes next

Program

A clubhouse, funded coaching, and university recognition that put Madison Rugby among the elite of collegiate rugby

Pipeline

A Mid-Atlantic destination program — the place youth players in Virginia, PA, and the Tri-State area are working toward

The Next 5 Years Will Set the Stage for the Next 50 Years

Every great program is built twice: first on the field, then off it. The work we do over the next five years will pave the way for the Dukes who come after. The alumni are here. The community is here. The tradition is here. What we are building is the system that connects all of it and makes it last.

Five years. One mission. Let's go Dukes.

JMU Rugby has a history worth honoring and a future worth building. Decades of players, teammates, and memories have created a community that runs deeper than any single season — and it is time to give it the structure it has always deserved.

JMU Rugby Alumni Association Impact

Coach Andy Edwards Annual Trip from Wales

Every August, Coach Andy Edwards makes the trip from Carmarthen, Wales to bring international-caliber coaching to JMU's preseason.

Coaching Support

Alumni coaches Mark Fowler, Jake Seratore, Ruairi Walsh, and Steven Profitt give their time and expertise to develop every player on the roster.

Scholarship Impact

The Hank Mozingo Captain's Rugby Scholarship and the Luis De Souza Pinto '02 Memorial Scholarship represent alumni investing directly in the players who carry this program forward.

Annual Events

From the Annual Alumni Fall Weekend to the MOB Rally in Baltimore, alumni show up — on the pitch and in the stands — to keep the Madison Rugby community connected.

Team Travel

Alumni financial support through the John Carr Memorial Rugby Fund helps cover the travel costs that allow JMU Rugby to compete across the MARC and the East Coast sevens circuit.

VEO Livestream Equipment

Alumni-funded VEO camera equipment allows the program to film and stream matches, giving coaches a development tool and keeping alumni connected to the team wherever they are.

John Carr Field

The John Carr Memorial Rugby Fund has contributed \$150,000+ toward the John Carr Field endowment over five years — funding the permanent home where every JMU Rugby match is played.

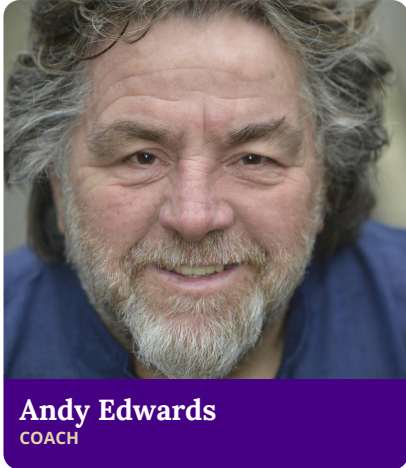

MARC Dues & Club Operations

Alumni dollars cover the cost of competing — conference dues, general club expenses, and post-season play costs that keep the program on the field and in contention.

CRM & Communications Infrastructure

The Alumni Association funds the operational backbone of the program, including the Bloomerang donor management system and strategic communications support that keep alumni connected and engaged.

Coach Andy Edwards Annual Trip from Wales

A Wales native with deep roots in the game, Coach Edwards brings decades of elite rugby experience to the JMU Men's Rugby sideline. He played at the highest levels of Welsh club rugby with Llanelli RFC and London Welsh RFC before transitioning into coaching, eventually earning his WRU Senior Level 4 coaching certification and serving as Assistant Coach for the FIRA Wales Under-19s at the 1999 World Cup. His background spans player development at every level — from grassroots festivals as a WRU Development Officer to elite competition — giving him a rare ability to meet players where they are and push them further.

Off the pitch, he is just as driven: in 2009, he organized and completed a 3,000-mile cycle across the United States in 15 days, raising over £80,000 for a children's charity. Madison Rugby is fortunate to have his expertise, his passion, and his standard of excellence on our sideline. Go Dukes!

Andy's impact on JMU Men's Rugby is hard to quantify. He brings a wealth of knowledge as a seasoned Loose Head Prop who has played and coached at the highest level, but also a genuine passion for the game and the enjoyment it brings to each player. His hunger and respect for rugby — born of 50 years as a player and coach — is infectious and adds greatly to our program's culture. Beyond on-field success, rugby teaches larger life lessons, and Andy's coaching approach and ebullient personality always reinforce that, giving the lads a positive boost during match prep, games, and camps. I am so grateful to the Alumni Association for their support and commitment in making this happen.

Where and Why to Give

The John Carr Memorial Rugby Fund is the Alumni Association's primary fundraising vehicle for JMU Men's Rugby operations. Gifts to the Carr Fund give the Alumni Association full discretion to invest directly in the program — covering team travel, equipment, coaching support, sponsorships, and capital improvements. This is alumni money, controlled by alumni, deployed for the benefit of every Duke on the roster.

The Alumni Association is building something that lasts. The best way to be part of it is to become a member — your dues fuel the campaigns, scholarships, and investments that keep Madison Rugby moving forward.

HONORING A CAPTAIN The Hank Mozingo Captain's Rugby Scholarship

This season, JMU Rugby honored the memory of Henry "Hank" Carlton Mozingo, a two-time team captain ('88-'89) who passed away unexpectedly in August 2025. In his memory, the JMU Rugby community established the Hank Mozingo Captain's Rugby Scholarship, awarded annually to a player who exemplifies the humility, perseverance, and commitment to teammates that defined Hank's life on and off the pitch. The endowment launched at \$25,000, with Hank's family pledging a \$25,000 match upon reaching 50 donors — a lasting investment in JMU Rugby's future.

2026 JMU Giving Day

JMU Giving Day was a university-wide fundraising event that gave alumni, family, and friends the opportunity to make a direct impact on the rugby program. Every gift made through the day went straight to JMU Rugby — supporting the student-athletes who show up every day because they love the game and love representing JMU.

The day delivered a landmark result for the Hank Mozingo Captain's Scholarship Endowment. 64 donors gave to JMU Rugby, surpassing the 50-donor threshold and unlocking an additional \$25,000 in matching funds from the Mozingo family. The fund now stands at \$59,713 — 60% of the way to a \$100,000 permanent endowment goal.
