

GFX-350

DISPLAY

The Trimble® GFX-350™ is the latest Android™-based, easy-to-use display from Trimble Agriculture. This cost-effective solution offers great functionality and a simplified installation process, providing access to autosteering and application control for every farm.

Add in Bluetooth® and Wi-Fi™ connectivity to go along with ISOBUS compatibility and any grower can tackle farming applications from every season across all equipment brands.
