Welcome to Luma Readers

Luma Readers are designed to help early readers and English learners build confidence one sound at a time. Each book is short, simple, and repeatable, so reading can feel clear and doable.

- **Short books, big confidence.** Each story uses very simple words and short sentences for beginning readers.
- **A calm, consistent routine.** The pattern stays predictable so learners can focus on the sounds, not guessing.
- **Sound-first reading.** Each book practices a small set of sounds and words, then repeats them for fluency.
- **A few helpful high-frequency words.** Only a small number of common words are introduced at a time.
- **Builds step by step.** New words are added slowly, with plenty of practice before moving on.
- **Made for home and learning spaces.** Use for a quick daily routine, tutoring, or small-group practice.

A simple way to use these books

1. Read it once together.
2. Read it again, pointing to each word.
3. Let your learner read it to you.
4. Celebrate progress and stop while it still feels good.
