5.4 Organizational chart

5.5	Nature and Extent of involvement of Faculty and students in academic affairs/improvements
5.6	Mechanism/ Norms and Procedure for democratic/ good Governance
5.7	**Student feedback mechanism on Institutional Governance / faculty performance**
	The faculty members and students of Sri Ramakrishna Institute of Technology are completely involved in the academic, co- curricular and extracurricular activities. The students are highly disciplined and motivated. The faculty members are very keen to their task of teaching and training. The industrial training system followed in the institution is extremely effective and serves as a model for industry-institute collaboration. The various events such as seminars, symposia, workshops and national / international level conferences are organized by teams of staff and students whose self-confidence is very high.

Parent-Teacher Associations in each class and programme of study, class committee meetings of staff and students, college committee comprised of senior professors and disciplinary committees all contribute to the efficient operation of the college. They meet often, discuss and decide on effective governance and implementation. The performance of the faculty members is measured by collecting the feedback from students. These forums also provide input that was highly useful for examining and enhancing processes. |
| **5.8** | **Grievance redressal mechanism for faculty, staff and students** |
| | A grievance redressal committee of the institution consisting of four Heads of Departments (males) and two senior lady faculty members under the chairmanship of Principal is in place to enquire into and recommend suitable measures to redress grievance of faculty, staff and students. |

5.9 Establishment of Anti Ragging Committee

Date of Birth	05/05/1961	
Unique ID	12913895386	
Education Qualification	B.E., M.E, Ph.D.,	

Work Experience	Teaching	40 Years
	Research	37 Years
	Industry	--
	Others (Administrative)	3 Years

Area of Specialization	
Course taught at Diploma /Post Diploma / Under Graduate / Post Graduate Diploma Level	Under Graduate & Post Graduate level

Research guidance	No.of paper published in National / International Journals / Conference	379
	Master (completed / ongoing)	22
	Ph.D. (completed / ongoing)	completed -9 & Ongoing-11

Project Carried out	Research Projects – 25
Patents (filed & granted)	4
Technology Transfer	-

Research Publications - No. of papers published in	National Journal	
	International Journals	
	National Conference	379
	International Conference	

No.of Books published with details (Name of the book, publisher with ISBN, year of publication, etc)	Book Chapters :20

9. Fee

Fees in INR (per annum)

Course	NBA Status	2021-22	2020-21	2019-20	2018-19
B.E./ B.Tech.	Accredited	55000	55000	55000	55000
	Non-Accredited	50000	50000	50000	50000
	Management quota (Accredited)	87000	87000	87000	87000
	Management quota (Non-Accredited)	85000	85000	85000	85000
M.E./M.Tech.		25000	25000	25000	25000
Admission Calendar		Aug to July	Aug to July	May to July	May to July
PIO quota		YES	YES	YES	YES
No. of AICTE TFW offered		0	0	0	0
No. of students benefitted by Institution scheme and Government scheme		735	695	662	675
Estimated cost of Boarding and Lodging in Hostels		Approximately Rs.6,600/- per month			

10. Admission

		2021-22	2020-21	2019-20	2018-19
Number of seats sanctioned with the year of approval					
Number of students admitted under various categories each year in the last three years	Govt. Quota	219	196	334	311
	Management / Lapsed Quota	180	147	64	204
	NRI	0	2	0	0
	PMSSS (J&K)	0	1	0	0
	PIO/FN/CIWGC	0	0	0	0
Number of applications received for admission under Management/Lapsed Quota		0	0	0	0

11. Admission Procedure

As per Tamilnadu Government Norms

12. Criteria and Weightages for Admission

As per Tamilnadu Government Norms

18.LoA and subsequent EoA till the current Academic Year

Yes

19.Accounted audited statement for the last three years

Refer Annexure II

20.Best Practices adopted, if any

1) Learning beyond Classrooms – Skill Development through Value Added Programs & Employment Enhancement Courses

To create learning environments that are inclusive, diverse and engage all types of learners, students are provided with learning opportunities that extend beyond the classroom. This is key to supporting and enhancing the learner experience and achieving positive educational outcomes for students. Emerging trends in technical and professional education call for value addition i.e., students must acquire something more than what is provided in the curriculum. SRIT has always strived to keep pace with the emerging trends in higher education. Keeping up with this ethos, SRIT constantly introduces programs that allow students to specialize in credentials in their chosen field along with the graduate programs.

2) International and National Level Student Internship - Continous Professional Development

In the contemporary business world, career life has become highly competitive, as many people have acquired degrees. However, to survive the competitive business world, skills and especially experience is needed to grow the career of an individual. As Graduates are becoming many, the need for practical experience through a formal program for beginners in a profession is necessary. In this regard, internships help integrate class theory and knowledge with practical applications towards a professional as well as personal growth. Therefore, several reasons have been accrued to the need for internships for students in the world today. The institute also encourges the students to undergo Internships in International Universities SRIT has signed International MoU's with Universiti Malaysia Perlis (UNIMAP), Ariel University, Israel which has enabled our students to gain global technical exposure. Since 2018, our students have completed interships in the International Universities.
