Code of Ethics

Objectives of the Ethics Committee:

- To guide the Academic Council on compliance with the 'Code of Ethics for the Students as well as Faculty' of the various academic activities at the Institute level.
- To provide guidance and academic support to Students on ethical issues in respect of teaching, research and other academic activities. On an entirely voluntary basis, they may ask the Ethics Committee for consultation on ethical aspects of their studies and faculty research.
- To confirm to external parties on behalf of the Institute compliance with ethical standards in respect of research projects undertaken at the Institute. The Committee is only convened at the explicit request of scholars needing an assessment of the ethical dimensions of a research project.
- To guide the Executive Committee and the Academic Council of any policies that may be required in relation to accepting funds from particular sponsors of research.
- To act as an investigative/consultative body for any disputed matter concerning ethics and conduct.
- To make recommendations to the internal Disciplinary Committee on the actions taken, if an, should be taken as a result of the investigations.
- To formulate the leave rules for the faculty members and other promotion policies for the faculty to the higher authorities of the college.
- To motivate the students towards their knowledge enhancement by allowing them to participate in co-curricular and extra-curricular activities
- To encourage students towards participation in International level project exhibitions, and motivate them in inter-disciplinary research activities.
