

Higher Studies

The Higher Studies progression details of students for the Academic Year 2025–26 were presented and disseminated during the PAIC meeting. The committee reviewed the students' achievements in securing admissions to reputed institutions for pursuing postgraduate education.

It was reported that students from the department successfully obtained admissions in prestigious institutions such as Anna University, Chennai, Sathyabama Institute of Science and Technology, and SIMATS Engineering, Chennai, for higher education programs, including MBA and M.Tech (AI & DS).

The committee appreciated the students for their interest in continuing higher education and acknowledged the guidance provided by faculty members in supporting students toward academic advancement and career planning.

Sl. No	Name of Alumni	Batch	Name of Enterprise	Location
1	JayaSurya S	2022	Sri Jayasurya Engineering Works	Coimbatore
