

NPTEL Achievements

The Department of Science and Humanities has consistently promoted quality learning through the NPTEL (National Programme on Technology Enhanced Learning) platform, encouraging both faculty and students to pursue industry-relevant certification courses.

Faculty Achievements

8 faculty members received NPTEL Mentor Certificates for their outstanding guidance and support to learners.

4 faculty members earned the prestigious NPTEL Elite Silver Certification, demonstrating academic excellence and continuous professional development.

Student Achievements

The department actively motivated first-year students to enroll in NPTEL courses, resulting in remarkable achievements:

234 First-Year Students Registered

92 Students Successfully Completed NPTEL certification courses

91 Students Secured Elite Certification

13 Students Achieved Elite Silver Certification

These accomplishments reflect the department's commitment to fostering a culture of self-learning, academic excellence, and industry-oriented skill development through the NPTEL initiative.
