ARTICLE 1 -- SUBSCRIPTION AND PURCHASE

1.1 Subscription. Subject to the terms and conditions of this Agreement, the Co-Investor hereby subscribes for and agrees to purchase from the Company, and the Company hereby agrees to issue and sell to the Co-Investor, 44,660 shares of Preferred Stock, par value USD 0.001 per share (the "Shares"), at a purchase price of USD 1.00 per share, for an aggregate subscription price of USD 44,660.00 (the "Subscription Price"). The number of Shares is equal to the Co-Investor's Total Commitment as set forth in the Term Sheet, divided by USD 1.00 per share and rounded down to the nearest whole Share. Any resulting fractional-dollar difference between the Total Commitment and the Subscription Price shall be retained by the Company as a *de minimis* contribution toward the Company's organizational and administrative expenses, and shall not be refunded to the Co-Investor.

1.2 Payment. The Co-Investor shall pay, the Total Commitment (USD 44,660.19) and the Expense Contribution (USD 178.64), as defined in Section 7 of the Term Sheet, to the Company in immediately available funds by wire transfer in accordance with the wire instructions provided by the Company, pursuant to the Wire Instructions and anyway no later than the date on which the Co-Investor executes this Subscription Agreement, except to the extent already paid prior to such date.

2.2 Contractual Arrangements.
