

Cookie Policy

Consent

When you visit this website for the first time, you will be shown a cookie banner which provides information on the cookies which are being used on our website and buttons to enable you to consent to the use of cookies, except essential cookies which do not require your consent as specified below.

Who we are

This website, tclsolar.com, is operated by **TCL SunPower**.

For the purposes of this Cookie Policy, “TCL SunPower” means:

- TCL SunPower Global B.V. (Netherlands),
- TCL Zhonghuan Renewable Energy Technology Co., Ltd. (China), and
- their respective affiliates,

acting jointly as data controllers.

This website operates as a global landing page. Depending on your location, you may be redirected to a local TCL SunPower website operated by a local entity, which will have its own privacy and cookie notices.

What are cookies?

Cookies are created when your browser loads a particular website. The website sends information to the browser which then creates a text file. Every time the user goes back to the same website, the browser retrieves and sends this file to the website's server. Find out more about the use of cookies on www.allaboutcookies.org.

We also use other forms of technology (such as web beacons and, in apps, software development kits (usually referred to as SDKs) which serve a similar purpose to cookies, and which allow us to monitor and improve our digital platforms. When we talk about cookies in this Cookie Policy, this term includes these similar technologies. If you would like more information about our privacy practices, please consult our Privacy Policy.

Types of cookies we use

We use the following categories of cookies on tclsolar.com:

- Strictly necessary cookies

These cookies are required for the website to function and cannot be switched off. They do not require your consent.

- Functional and performance cookies

These cookies help us improve or optimise the experience we provide. They allow us to measure how visitors interact with digital platforms and we use this information to improve the user experience and performance of digital platforms. These cookies are used to collect technical information such as the last visited website, the number of pages visited etc.

- Analytics cookies

These cookies allow us to measure and analyse traffic and usage of the website in order to improve the user experience.

- Marketing cookies

We use these cookies to collect information about your browsing habits to make advertising more relevant to you and your interests. They are also used to limit the number of times you see an advert as well as help measure the effectiveness of an advertising campaign. We may share this information with other parties who help manage online advertising.

Details of the cookies used, their purpose, and retention periods are available via the cookie banner.

Third-party cookies

Your use of our digital platforms may result in some cookies being stored that are not controlled by us. This may occur when the part of our website you are visiting makes use of a third-party analytics or marketing automation/management tool or includes content displayed from a third-party website, for example, [YouTube](#) and [LinkedIn](#). You should review the privacy and cookie policies of these services to find out how these third parties use cookies and whether your cookie data will be transferred to a third country.

Managing your cookie preferences

You can manage or withdraw your consent at any time by:

- clicking “Refuse all cookies” in the cookie banner, or
- clicking “Manage my cookie preferences” in the cookie banner or at the bottom of the website.

Withdrawing consent does not affect the lawfulness of processing carried out before the withdrawal.
