

**CREASTIVE
CLUB**

OUR MISSION

Crea8tive Club exists to strengthen Portland's creative economy — by connecting local small businesses with the talented creatives in their own backyard.

We create space for collaboration, play, and purpose.

We give small businesses access to professional creatives that help build whatever is needed.

We give creatives an outlet to do meaningful work outside their 9-5. ***And we make sure everybody eats — not just financially, but creatively, emotionally, collectively.***

WHAT IS CREA8TIVE CLUB?

*Think of it as a hackathon meets run club,
but for creatives.*

WHAT:

Crea8tive Club is a weekend creative accelerator that pairs Portland's top creative talent with local small businesses who need them.

WHO:

Over the course of two days, teams of designers, photographers, videographers, writers, and strategists partner with 5-8 local businesses to create real content and marketing assets — on the spot, at no cost to the business.

HOW:

Teams work from Saturday morning to Sunday evening, then gather to share what they made — over good food, real conversation, and genuine connection with the business owners and fellow creatives.

WHY:

This isn't spec work. It's community investment, creative energy, and proof that Portland takes care of its own.

EVENT #1 / RESULTS

40 creatives —
5 local businesses —
1 weekend —

BUSINESS:

THE CREATIVE COMMUNITY

Crea8tive Club brings together Portland's most talented independent creatives — videographers, photographers, designers, editors, producers, strategists, and makers.

Our members have worked with brands like Nike, Adidas, Apple, Amazon, Lululemon, Jordan, Microsoft, Conde Nast, and more.

But they're here for something different — community, creative freedom, and the chance to give back to the city they love.

2026 VISION

"Coming together is a beginning; keeping together is progress; working together is success." — Henry Ford

2026

ESTABLISH THE FOUNDATION:

Quarterly activations in Portland, refining the model and building the core community.
