SIGNAL & STAGE

Amy Kelly, LMFT

Mental health, clinical AI workflows and responsible adoption

Amy Kelly, LMFT, is a licensed marriage and family therapist, cofounder of Revive Health Therapy and CEO and cofounder of Miri AI. Her work connects mental health practice with the pressures of leadership and building a company. Her clinical work includes burnout and relationships among founders and executives. She believes thoughtful AI development can expand access to mental health care while supporting, rather than replacing, the relationship between patients and clinicians. Her speaking experience includes TechCrunch Disrupt on AI and mental health, HLTH on behavioral health and AI, and Collision.
