Dr. Dipu Patel

Clinical reasoning, AI education and healthcare innovation leadership

Dr. Dipu Patel, DMSc, MPAS, PA-C, is a physician assistant, professor and vice chair for innovation in the Department of Physician Assistant Studies at the University of Pittsburgh. Her clinical experience includes emergency medicine, urgent care and hematology/oncology. Her teaching and speaking focus on how clinicians reason when AI becomes part of their work. As founder of ReasonFirst.ai, she develops clinical education tools centered on reasoning and human judgment. She edited Digital Health: Telemedicine and Beyond, published by Elsevier.

Topics to explore

- AI at the Bedside: When Judgment Matters Most
- Reasoning First: Teaching Clinical Judgment in the Age of AI
- Change Happens at the Speed of Trust: Leading AI Adoption in Healthcare
- The Innovation Arc: From Possibility to Infrastructure

Plan the right session

Tell us who will be in the room, your event date and the question you want the session to address. We will discuss audience fit and confirm the speaker, format, duration and terms.
