SIGNAL & STAGE

Pascale Caron

AI strategy, entrepreneurship and organizational transformation

Pascale Caron is an AI strategy advisor, entrepreneur, international keynote speaker and co-author of EntrepreneurIA. She brings more than 30 years in technology at IBM and Amadeus, innovation and business transformation to conversations about AI adoption, governance and value creation. Based in Monaco/France, she speaks in English and French. Through EntrepreneurIA, her editorial and research platform, Pascale interviews entrepreneurs, executives and AI experts about how they integrate AI into their organizations. Her work focuses on governance, leadership, skills, human judgment and decision-making. She advises executives and organizations through Yunova Consulting.

Topics to explore

- From AI Experimentation to Business Value
- The AI-Ready Organization
- What Entrepreneurs Teach Us About AI
- Leading in the Age of AI
- Women Shaping the Future of AI

Plan the right session

Tell us who will be in the room, your event date and the question you want the session to address. We will discuss audience fit and confirm the speaker, format, duration and terms.
