SIGNAL & STAGE

Robin Farmanfarmaian

Healthcare AI, patient access and the future of care

About Robin Robin Farmanfarmaian is a healthcare entrepreneur, professional speaker and author working at the intersection of AI, emerging technology and healthcare. She has delivered more than 250 keynotes in 16 countries and written four books, including The Patient as CEO and How AI Can Democratize Healthcare. Her work with emerging AI and medical technology companies informs her perspective on technologies moving into practice.

Topics to explore

- Healthcare Is Leaving the Clinic: How AI Is Powering 24/7 Care at Home
- When AI Stops Asking for Permission: The Promise and Peril of Agentic AI

Plan the right session

Tell us who will be in the room, your event date and the question you want the session to address. We will discuss audience fit and confirm the speaker, format, duration and terms.
