Dr. Sarah Matt

Clinical AI implementation, governance and access to care

Sarah Matt, MD, MBA is a physician, author and healthcare AI strategist. She advises health systems and health technology companies on clinical AI governance, physician adoption and commercialization. She trained in surgery and currently practices internal medicine in charity care. Her experience includes healthcare product strategy at Oracle Health and leadership roles at NextGen Healthcare, Sovato and ESO. She serves as Assistant Professor at SUNY Upstate Medical University and Visiting Lecturer at Cornell University. She is the author of The Borderless Healthcare Revolution and host of The Clinical Realist podcast.
