DALLAS, TEXAS | September 17, 2026 – The St. Cecilia Catholic School community came together on September 17 for North Texas Giving Day, joining supporters across North Texas for a day dedicated to strengthening local nonprofit organizations and the communities they serve.

This year, St. Cecilia celebrated under the theme “Stronger Together,” inviting families, alumni, parishioners, friends, and supporters to come together in support of the students and future of the school.

The school’s North Texas Giving Day campaign included the St. Cecilia Class Challenge, which encouraged participation across grade levels from PK3 through eighth grade. The day culminated with Party on the Blacktop, a community celebration that brought students, families, faculty, staff, alumni, and friends together on the St. Cecilia campus.

The celebration featured live music from Café con Leche, along with appearances by Rikki Rincon and former UFC fighter Megan Anderson, with music by DJ Latin Prince. Families enjoyed local food trucks while students added their own creativity to the celebration by filling the blacktop with colorful chalk art.

While Party on the Blacktop brought the community together in celebration, the purpose of the day remained centered on supporting St. Cecilia students and the future of the school. Support generated through the campaign helps St. Cecilia continue investing in areas that directly benefit students and teachers, including campus improvements, outdoor learning spaces, teacher professional development, classroom technology, and other areas of greatest need.

More than a fundraising effort, North Texas Giving Day provided an opportunity to celebrate the community that has surrounded St. Cecilia since 1935. Generations of families, educators, parishioners, alumni, and friends have played a role in the school’s story, and their continued support helps ensure that St. Cecilia can continue its mission for generations to come.

St. Cecilia Catholic School is grateful to everyone who gave, shared the campaign, participated in the Class Challenge, attended Party on the Blacktop, and helped make the day a celebration of what is possible when a community comes together.

Rooted in Faith. Growing Stronger Together.
