DALLAS, TEXAS | October 1, 2026 - St. Cecilia Catholic School is proud to introduce a refreshed school logo that honors our history while carrying the identity and spirit of St. Cecilia forward.

Since 1935, St. Cecilia has been a place where generations of students and families have grown in faith, learning, service, and community. As our school continues to grow, we wanted our visual identity to reflect who we are today while remaining deeply rooted in the legacy that has shaped St. Cecilia for more than 90 years.

One of the most important pieces of the refreshed logo was ensuring that our longtime motto, "To Serve as Jesus Did," had a meaningful place within it. These words are more than a motto. They speak to who we are as a Catholic school and to the values we hope our students carry with them long after they leave St. Cecilia.

The refreshed design brings together our Catholic identity, our history, and the strength of the St. Cecilia community in a look that will carry our school into its next chapter.

While our look is new, the heart of St. Cecilia remains the same.

Good things continue to happen behind the scenes at St. Cecilia, and so many of the changes taking shape are inspired by our legacy, by our students, and by the teachers, staff, families, alumni, parishioners, and friends who continue to make this community so special.

We are proud of where we have been and excited about where we are going together.
