WINEMAKING:

Gamay was sourced from premium South Australian vineyards, the grapes were hand-picked and fermented with around 5% whole bunches to enhance complexity. The wine was then matured in 600L barrels, with approximately 30% new oak and the remainder aged in seasoned oak.

TASTING NOTE:

Juicy, fragrant and expressive. Aromas and flavours of red cherry, raspberry and strawberries. Medium bodied in weight, Little Giant Gamay is an energetic wine with lovely complexity and a refreshing finish.
