

PINOT NOIR

REGION:

South Australia

WINEMAKER:

Corey Ryan

ALCOHOL:

13.0%

WINEMAKING:

From premium vineyards in South Australia, grapes were hand picked then fermented with a small portion of whole bunch (about 5%) for complexity. The wine was then transferred to 600ltr barrels for maturation, a portion of which had seen 30% new oak.

TASTING NOTE:

The Little Giant Pinot Noir is bright and expressive, with aromas of red cherry, raspberry and subtle floral notes. The palate is silky and medium-bodied, offering vibrant red fruit flavours layered with hints of spice and soft, earthy undertones. Fine tannins and fresh acidity give the wine structure and balance, leading to a smooth, elegant finish.

LIGHT & ELEGANT

RICH & BOLD
