Sourced from a single established vineyard in the Adelaide Hills. The sheltered aspect and consistent temperatures combine to ensure the retention of natural acidity in the elegant fruit harvested. Hand-picked before de-stemming and fermentation in a combination of two tonne open fermenters with ten percent whole bunch with twice daily hand plunging. Pressed to small used French oak barrels where the wine matured for 6 months before bottling with minimal fining, filtration.

TASTING NOTE:

Youthfully expressed and brightly fragrant- sweet cherry, violet and warm spice aromas, it's juicy and beautifully rounded in the mouth offering soothing texture and fine tannins.
