WINEMAKING:

Fruit for this Pinot Gris was crushed and then left for three hours on skins before pressing to achieve desirable phenolics and texture. It was fermented cool and then matured on yeast lees for 7 months in stainless steel to encourage mid palate texture.

TASTING NOTE:

The Little Giant Adelaide Hills Pinot Gris is bright and expressive, offering aromas of pear, white nectarine and subtle citrus blossom. The palate is fresh and textured, with flavours of crisp apple, stone fruit and a hint of spice. Gentle acidity provides balance and drive, leading to a clean, refreshing finish.
