

Missed Appointment Policy

At Riverside Dental Care, we strive to provide all of our patients with the best care. Our appointment times are reserved specifically for each patient. When the patient/doctor relationship is compromised by too many Missed Appointments, then we will dismiss the patient from the practice. Our Missed Appointment Policy is as follows:

- Not showing up to an appointment, or canceling an appointment within 24 Hours of the appointment time, is considered a Missed Appointment.
- There is no fee for the first Missed Appointment
- There is a \$50 Missed Appointment Fee for a second Missed Appointment. This fee is not covered by insurance and is the responsibility of the patient.
- There is a \$50 Missed Appointment Fee for a third Missed Appointment. This fee is not covered by insurance and is the responsibility of the patient. Additionally, the patient will be dismissed from the practice.

By signing this form, the Patient (or Legal Guardian) acknowledges that they understand the Missed Appointment Policy.
