HEXAFIX - PRO

Reliability

* depending on the version

Hand-mixers **XQ**

- Modern design with great ergonomics and strong build
- Speed control and timer to track mixing time*
- Ergonomic grip (wider for XQ 6) for easier handling and less fatigue
- Smooth, splash-free working with accelerate switch
- Powerful motor for reliable work and long machine life
- Ergonomic design: gentle on the back and low vibration
- Rubber buffers protect surfaces and the machine
- Smart airflow for quiet operation and dust protection
- HEXAFIX-PRO: easy paddle changes, self-lubricating, maintenance-free
- Made in Germany: Quality product with a long durability; 10-year service guarantee
- Warranty extension 2+1 with registration

* XQ 4 & 6

Technical data

XQ1

Rated power:	1100 watt s
Voltage:	230 V~
Display / Speed control and timer:	-
Speed Levels in steps:	-
Speed Levels (rpm):	-
On-load speed maximum (rpm):	670
Sound Level:	81 db
Mixed amount, recommended:	≤ 40 ltr.
Cable length:	4 m
Weight with paddle:	5,8 kg
Max. paddle diameter:	120 mm
Paddle set:	Typ WK 120 for finishing plaster, mortar, screed & more
Art.-Number (Set incl. paddle):	29000
Art.-Number (excl. paddle):	29100

XQ4

Rated power:	1500 watt s
Voltage:	230 V~
Display / Speed control and timer:	□
Speed Levels in steps:	3
Speed Levels (rpm):	400/550/700
On-load speed maximum (rpm):	700
Sound Level:	83 db
Mixed amount, recommended:	≤ 65 ltr.
Cable length:	4 m
Weight with paddle:	7,2 kg
Max. paddle diameter:	150 mm
Paddle set:	Typ WK 140 for plaster, mortar, and much more
Art.-Number (Set incl. paddle):	29018
Art.-Number (excl. paddle):	29103

XQ6

Rated power:	1750 watt s
Voltage:	230 V~
Display / Speed control and timer:	□
Speed Levels in steps:	8
Speed Levels (rpm):	300/350/400/450/500/550/600/750
On-load speed maximum (rpm):	750
Sound Level:	83 db
Mixed amount, recommended:	≤ 90 ltr.
Cable length:	4 m
Weight with paddle:	7,8 kg
Max. paddle diameter:	170 mm
Paddle set:	Typ MK 160 for concrete, cement screed, heavy plaster, mortars of all types.
Art.-Number (Set incl. paddle):	29042
Art.-Number (excl. paddle):	29105

all models
incl. HEXAFIX PRO*
Coupling

* 100% compatible
